2. Pre-Agreement Statement and Quotation

- 2.1. Amongst others, we will give you the following information in the Pre-Agreement Statement and Quotation for all loan agreements:
 - 2.1.1. Loan amount: this is the amount of credit that we extend to you in terms of the loan agreement;
 - 2.1.2. Initiation fee: this is a fee that we can charge in terms of the Act for initiating the loan agreement. You may pay this upfront, alternatively we will charge it at inception of the loan agreement and add it to the outstanding balance of the loan agreement to be paid as part of the monthly instalment. For MobiMoney, we may agree to levy the initiation fee on a pro rata basis each time you use MobiMoney, until the full initiation fee has been paid;
 - 2.1.3. Service fee: this is a monthly, transactional or annual fee that we can charge in terms of the Act to cover our operational costs for the administration of the loan agreement. We will confirm the service fee that will apply to your loan agreement in the Pre-Agreement Statement and Quotation;
 - 2.1.4. Interest rate: we disclose the interest rate that applies to your loan agreement in the Pre-Agreement Statement and Quotation. We calculate interest on the daily outstanding balance and capitalise it monthly (add it monthly to the outstanding loan balance). If you are in arrears, we may charge interest on the arrears at the maximum rate in terms of the Act.
- 2.2. In addition to the information set out in paragraph 2.1, we will give you the following information in the Pre-Agreement Statement and Quotation for MobiMoney agreements:
 - 2.2.1. Current credit limit: this is the maximum amount available to withdraw at any time. We determine this limit in our discretion considering your affordability assessment and our credit policies and we may increase it from time to time up to the maximum credit limit - depending on your payment behaviour;
 - 2.2.2. Maximum credit limit: this is the maximum amount of credit we have determined you can afford.
- 2.3. Note that we base our quote as set out in the Pre-Agreement Statement and Quotation on the maximum credit limit. For MobiMoney this means that your monthly instalment will never be more than quoted, but it may be less, depending on how you use MobiMoney.
3. **Loan agreements - General**
 - 3.1. When you apply for credit, we do a credit risk assessment and an affordability assessment in terms of the Act.
 - 3.2. For short term and unsecured loan agreements, this assessment determines the maximum loan amount for which we believe you qualify (the "maximum loan amount"), based on our credit policies and the requirements of the NCA.
 - 3.3. Your maximum loan amount may change if your financial circumstances change.
 - 3.4. After entering into a loan agreement with us, you may qualify for another loan, with a total exposure up to the maximum loan amount. In terms of the HomeChoice Group's credit policies you may only have one loan agreement with any company within the HomeChoice Group at any time (excluding certain products like MobiMoney, FoneChoice agreements or "KwikAdvance" referred to in paragraph 6). If you still have an existing outstanding balance at the time that you apply for another loan agreement, you must first settle the outstanding balance of the existing loan agreement before you can enter into another loan agreement. You may ask that we use the proceeds of the new loan agreement for this purpose or you can make other arrangements to settle your existing loan agreement.
 - 3.5. If you ask us to use the proceeds of the new loan agreement to settle an existing loan agreement, the difference will be paid into your bank account. We call this amount paid into your bank account the "KwikDraw

amount". Even though this will be a new loan agreement, we accommodate existing customers and only charge an initiation fee for the new loan agreement based on the KwikDraw amount rather than the full amount of the new loan agreement.

- 3.6. We may tell you from time to time that a KwikDraw amount may be available to you. We will conduct an affordability assessment each time you apply to enter into a new loan agreement. Any KwikDraw amount will only be available subject to your affordability assessment indicating that you can afford the new loan agreement. We never guarantee that you will qualify for any amount - it will all depend on the affordability checks and our internal credit policies.
- 3.7. Before you enter into a new loan agreement with FinChoice you must make sure that you fully understand and appreciate the costs and risks associated with concluding another loan agreement and your rights and obligations under the new loan agreement.
- 3.8. If you have any doubt as to whether your financial circumstances have changed, or do not understand the risks and costs of concluding a loan agreement, or what your rights and obligations in terms of that loan agreement will be, you must first phone FinChoice on 0861 346 246 before you enter into the loan agreement.
- 3.9. Although not required by law, we may allow a cooling off period the first time that you enter a loan agreement with us.
4. **Loan agreements - MobiMoney**
The following conditions specifically apply to MobiMoney:
 - 4.1. On successful application, we will assign a "current" and a "maximum" credit limit to you.
 - 4.2. We may expire your MobiMoney agreement on one withdrawal's notice. This means that we may notify you at any time that you can make one further draw before the MobiMoney agreement will expire, meaning that no further draws will be allowed on the MobiMoney agreement after this final draw.
 - 4.3. We calculate the current and maximum credit limits on your affordability assessment outcome and our internal credit policies. We will never ask that you pay a higher instalment than what we determined you can afford, but each time you withdraw, you may choose to repay the withdrawal amount within a shorter period than required.
 - 4.4. The current credit limit is your actual credit limit with us at any given time, and may be set at a lower amount than the maximum credit limit in accordance with your risk profile as we determine in terms of our risk rules.
 - 4.5. Depending on your risk profile, we may therefore adjust your current credit limit during the time of the MobiMoney agreement in our discretion, however the current credit limit will never exceed your maximum credit limit.
 - 4.6. The maximum credit limit is the amount that your affordability assessment indicates you can afford, however in order to engage in responsible lending practices and build lasting customer relationships, we initially provide a lower current credit limit to all our customers, and gradually "unlock" the maximum credit limit when appropriate and as determined by your risk profile.
 - 4.7. FinChoice may suspend your access to MobiMoney at any time if you are in default or may close it on ten business days' notice, in which case the loan agreement will remain effective to the extent necessary until you have paid all monies due in terms of the loan agreement. We may also suspend your access to MobiMoney if our credit policies determine that you may be at risk of becoming over indebted should we allow further draws.
 - 4.8. You may ask us in writing to reduce the maximum credit limit and stipulate your required maximum credit limit.
5. **Applying through electronic channels**
 - 5.1. We may allow you to apply for a loan using your mobile phone, the internet or other electronic channels ("electronic channels"). If you apply through an electronic channel, we generate, send, receive and store information electronically.
 - 5.2. For electronic applications, you must choose your own personal secret access details, such as a PIN or password. You must keep these

details safe and confidential. FinChoice may assume that any loan agreements entered into through electronic channels using your secret access details have been authorised and entered into by you. You must notify us immediately if you become aware that you have lost your secret access details or that any unauthorised person may have access to it. We will not be responsible for any unauthorised use of your secret access details until you have notified us.

5.3. FinChoice may implement any authentication procedure it believes is necessary for customer authentication each time when a customer applies to enter into a loan agreement through electronic means.

6.2.2.4. the 31st of the month, we will raise the debit order on the 30th of the month;

6.2.3. During December, you may get paid earlier than usual and you agree that we may track the payment and raise the debit order any time from the 10th of December, unless you notify us of your exact December pay date;

6.2.4. If your loan agreement is in arrears, FinChoice reserves the right to raise the debit order on any day to recover the arrears amount from any available balance in your bank account.

6.3. You must notify us immediately if your bank account details or your pay date changes and we may then change your debit order details accordingly.

6.4. You may not close the bank account unless you have given us the details of another bank account from which we can raise the debit order.

6.5. You may not cancel the debit order until you have paid all monies due to FinChoice in terms of the loan agreement in full.

6.6.1. and one of the loan agreements is in arrears, we may transfer any credit value in terms of one loan agreement to a loan agreement that is either in arrears or has an outstanding balance amount;

6.6.2. We may make a single deduction from your bank account for the amount due in terms of all the loan agreements and thereafter to apportion the deduction to ensure that all agreements are not in arrears, where possible;

6.6.3. We may decide how to allocate the payment if you do not specify which loan agreement you are paying.

6.7. You must repay the full amount due to us by way of a monthly debit order within the specified term. If you experience a problem with your bank account or payment, you must contact us and make another payment

arrangement at least three working days before the instalment due date to prevent additional interest or legal costs.

6.8. If you request us to re-schedule your loan repayments and we agree to your request, the rescheduled loan agreement will be regulated by the terms agreed between us. The decision to re-schedule the debt is entirely at our discretion.

6.9. Subject to paragraph 6.6, any payments received from you will be allocated in the following order: the payment of:

- 6.9.1. credit life premiums;
- 6.9.2. value-added services;
- 6.9.3. interest; 6.9.4. other fees and charges;
- 6.9.5. principal debt.
